Seekonk TA-600 Inch Pound Torque Analyzer 3/8" sq. dr. 0-600 in. lbs.

Price: \$475.70

Part #: TA-600

Drive Size: 3/8" sq. dr.

Torque Range: 0-600 in. lbs.

Graduations: 10 in. lbs.

Torque tools which are in regular use need periodic checks to insure their accuracy. Seekonk features a line of bench mounted torque analyzers for this purpose. These analyzers provide a means of quick and economical standardization. All models are guaranteed accurate to within +/- 2% of indicated reading from 20% to 100% of full range. Available with memory needle or Metric/English dial. For use with hand operated tools only.

Not for use with pneumatic or electric powered tools.

NOTE: This tool available with Female to Female Adapters.

Qty: Extended Price: \$475.70
