Conforms to Weights & Measures specifications in U.S.A. and Canada.

Wire Measurer accommodates a wide variety of flexible materials from 1/64" to 7/8" diameter. Measures wire rope and similar stiff materials to 1/2" diameter.

Quickly interchangeable Guide Tubes with I.D.'s of 1/4" and 1" afford accurate guiding of many hard-to-measure materials. Stainless and heat-treated steel used for all shafts and surfaces subject to wear by material's passage. Digital Counter adds or subtracts. Resets to ZERO with one turn of knob. Model 1410 indicates to 9,999'-11".

Optimum accuracy and convenience obtained when used with our Payout and Takeup Reels.

Height of Measurer is 8-5/16". Width, including Handle is 7-1/4"

Shipping Weight 1410	5 lbs.
with -8 Cutter	7 lbs.
