

SPAN Pressure Gauges for Petrochemical Applications

THUEMLING

KemX® diaphragm prevents freezing and clogging

\$49.00 - \$106.00 USD / EACH

- Accuracy of ±1% full-scale
- Glycerin fill
- High-resolution pressure intervals

These SPAN™ liquid-filled industrial pressure gauges feature the KemX diaphragm, located within the pressure connection, to prevent the freezing of the liquid fill while also preventing the clogging of the process connection. An additional feature of these gauges is the internal compensating diaphragm, eliminating
