

Gedore Ergo Quickset Adjustable Torque Screwdriver QSA, 30-80 lbf.in - QSA80-FH

Model: Ergo Quickset 80 FH

Article No.: QSA80 FH

Code No.: 060520

Features:

- Ergo Quickset Calibrated Torque Screwdrivers achieve accurate torque application by eliminating both under and over tightening using Gedore Torque's proven slipping technology. This enables any user to deliver the correct torque with confidence regardless of task and operator skill level
- These Calibrated Torque Screwdrivers are fast and accurate to set by using the quick and clear to read micrometer setting scale
- A single Torque Screwdriver can cover a broad variety of applications due to its wide torque range
- Long service life is provided through the durable design utilizing hard wearing materials such as stainless steel and aluminum
- Ideal for safe electronic component assembly as this tool is EPA compliant for use in Electrostatically Sensitive Areas
- Reduces operator fatigue due to a specially designed ergonomic hand grip combined with a smooth tool rest action

Technical Information:

- Accuracy +/- 6% of reading
- ISO 6789 Classification 2D
- EPA Compliant
