IN STOCK

NORMALLY SHIPS WITHIN 5-7 DAYS

- Designed for laboratory use, measures in inches and millimeters
- Zero button instantly sets unit to zero when jaws are at any position—permits, without calculations, setting a Floating Zero™ or reference point to read “greater than or less than results with a minus sign displayed”
- No lubrication is ever required on the ultra-smooth slide bar, runs on the supplied battery for 10,000 hours

\$145.00
