

Value Collection

12" Dial Height Gage

0.001" Graduation, Accurate to 0.0015", Dial and Counter Display

MSC Part #: 76429018

Mfr Part #: 621-8412

Features and Benefits

- Dial height gages with a dial and counter allow for accurate and easy-to-read fine and coarse measurements. The resettable digital counter has two displays that individually measure upward and downward measurements from a preset zero.
