

Features and Characteristics

- Accuracy of +/-4% of Indicated Value from 20% to 100% of the rated capacity for that wrench.
- Meets or exceeds requirements of ASME B107.300-2010 and ISO 6789.
- The SR Dovetail connects with all of our interchangeable heads. Every one of our interchangeable heads fits on every one of our wrenches.

Please Note: We replaced the neoprene grip with a knurled metal grip in 2016.
